HIGH ASPIRATIONS FOR HIGHER EDUCATION

CTN launched its statewide effort to help trustees come together
to learn, advocate, and speak with one voice.

Last year, CTN was founded on three broad goals:

1. Closing the Equity Gap
2. Aligning Postsecondary Education and Workforce
3. Increasing Postsecondary Funding & Resources for Targeted Results

To support trustees and CTN in achieving those goals, CTN hosted the following four learning sessions in its inaugural year:

- Equity in **State Funding** for Higher Education
- Dialogue on **Democratizing Data**: The Power of Data to Transform Student Success
- Conversation with Senator Bennet Regarding **Federal Stimulus Dollars**
- **1330 Legislative Briefing** with Legislative Leadership
